FAQS

- **What is the minimum and maximum number of players?**
 - 18-hole minimum number is 40 players and maximum number is 144 players (double shotguns are an option for bigger groups).
- **How long does my tournament have to play?**
 - GVR monitors & enforces a 15 minute per hole pace of play policy for all events regardless of the player count. This means each event is expected to finish in 4 hours and 30 minutes for 18 holes. This is to ensure all guest experiences are met for “everyone on the golf course.” This means our on-course hosts have the authority to make a slow group speed up, even if that means skipping a hole and taking a bogey.
- **Can we bring in outside food & drink?**
 - No- but Green Valley Smokehouse and Oyster Bar offers a wide variety of excellent food & beverage packages. ***All tournaments are required to have some organized food & beverage.***
- **When do I pay for my event?**
 - Payment for all tournament fees along with food & beverage are due day of the event.
- **Do you offer on-course setup and take down?**
 - We do! We have (3) options all priced per hole:
 - Table & two chairs only - \$35
 - Tent only - \$50
 - 10x10 canopy tent, 8’ table with linen & two chairs - \$100
- **Are rental clubs available?**
 - Yes- they are TaylorMade premium & are \$65/set. Each premium set comes with a sleeve of TaylorMade Tour Response golf balls.
